<sup>1</sup>The Godkin-Maidment Cup was donated by Captain E C Godkin and Mr W Maidment in 1934 for competition between Greenwich Flying Squadron and Lane Cove 12ftSailing Skiff Club. The cup was awarded annually to the winner, on handicap, of a single race between the 12ft skiff fleets of the two clubs. The last record of a winner was Unique sailed by Phil Newman in 1958 (a Lane Cove boat). The cup then went missing for some time and was later returned to GFS by Ross Gardner. There is a write-up of the history of the cup in the book on the history of GFS written by Rosalie Lucas. In her book Rosalie states that, despite the fact that the trophy was missing, the racing for it may have continued beyond 1958 and possibly right up to 1985. In 2015-16 the Cup was re-dedicated to annual teams competition between LC12ftSSC and GFC to be sailed in the Laser class as part of the "King of the River" regatta series..
